Dear Sir,

Sub : Modified Forward e-Auction Scheme

You may be aware that implementation of Forward e-auction was kept on hold after initial introduction following problems experienced due to poor registration and subsequent reference made to MOC for views. As advised by MOC the Scheme was reviewed by CIL and incorporated certain changes for simplified registration procedure and wider participation, with due approval of the competent authority.

The revised / modified clause of the Terms & Conditions of the Scheme under item 2.1(f) and 2.1(g) shall now stand as below:

1.	Original Clause 2(f) "Duly certified accounts audited by practicing Chartered Accountant depicting a positive net worth."	modified clause to 2(f) in replacement of the original – " <i>Duly certified accounts by practicing Chartered Accountant.</i> "
2.	Original clause 2(g)- "Valid NOC from State Pollution Control Board."	<i>Proviso to be added to existing Clause 2 (g) provides that</i> <i>i. Wherever the State Pollution Control Board is not specifying the validity of the certificate issued by them to the unit or in other words have issued the open ended certificate, it was decided that such a certificate will be considered acceptable and intimation is sent to the authority responsible for issuance of Pollution Certificate in the State. And</i> <i>ii. For the purpose of registration consumers who are yet to receive Pollution Certificate inspite of having applied for the same may furnish evidence by producing certified copy of payment receipts / acknowledgements etc. for such applications made to the pollution control authority. However, before</i>

		<i>participating into the bidding they will have to produce either the valid Pollution Certificate or a "No Objection" for consuming coal issued by the Pollution control Board/ authority to which application for pollution certificate had been made.</i>
--	--	--

You are requested for re-introduction of the scheme with above modifications forthwith. All the other directions circulated earlier with regard to the Scheme relating to Quantity/EMD/Pricing/Sources etc. as conveyed from time to time shall remain unchanged. It may also be placed on company website and given wide publicity.

Yours faithfully

09-04-09

J. Goel

Chief General Manager(Marketing)
